

NCE | ELEMENTARY PROGRAMS

Needham Community Education

Fall 2019 After School Enrichment Programs

Your child won't want to miss out on the fun!

There are enrichment classes at each school that will appeal to your child. These fun and engaging programs, taught by Needham Public Schools staff and other qualified professionals, enable students to extend their learning beyond the classroom in a relaxed environment.

Most classes begin the week of October 14th.

Important Registration Information

Registration begins at 7:00am on Tuesday, September 17th.

Registrations will be taken online* through School Pay:
<https://needham.schoolpay.com/link/NCEElementaryfall19>

* *Scholarship registrations cannot be taken online. Please contact NCE for assistance at 781-455-0400 (press 5).*

SchoolPay: Please note that you will NOT be able to use your child's Nutrition Services SchoolPay account to register and/or pay for NCE classes. The NCE Elementary catalog and related emails will include a direct link to the NCE Elementary registration page on SchoolPay, where you will then be prompted to complete all required information and checkout (*without using your child's student account*). We apologize for this inconvenience, but the student accounts do not enable NCE to capture all of the information we need for each student.

Please note that some classes fill quickly. Registrations are taken on a first-come, first-served basis. Register early to avoid being closed out.

Classes may be cancelled by NCE due to low enrollment, so please register early. Classes cancelled by NCE will be refunded in full. Refunds will be made by check and may take up to three weeks.

Registration deadline is 10:00am on Friday, October 4th, or until classes fill.

Confirmations: Upon registration, you will receive a confirmation email from SchoolPay.com. Your child is confirmed in the class upon receipt. If you don't receive your receipt, please check your SPAM folder. NCE will be happy to assist if the receipt cannot be located.

Scholarship assistance is available. Students who qualify for free or reduced lunch may take one class per session with NCE at a reduced price. Scholarship registrations cannot be taken online. Please contact Jill Ash, NCE Registration Manager, at: jill_ash@needham.k12.ma.us or 781-455-0400 x11235 for assistance.

Withdrawal Policy: There are no refunds for withdrawals once a registration has been completed. There will be a \$20 administrative fee assessed for all requested changes to original registrations.

Wait List: If you would like to add your child to a wait list for a full class, please email Jill Ash, NCE Registration Manager, at: jill_ash@needham.k12.ma.us. Include the class name, class location, your child's name and your best daytime phone number. If a spot becomes available, you will be contacted right away.

Needham Community Education

Needham Community Education (NCE) is an office of the Needham Public Schools and combines a number of out-of-school time programs into one administrative office. Programs are self-sustaining and include Elementary and Middle School after school programs, Adult Education, and Summer Explorations and other summer programs. We hope to provide quality lifelong learning experiences that are accessible to children, teens and adults. We seek to offer interesting educational, cultural, and skill-building classes at a reasonable cost.

Needham Non-Discrimination Policy

The Needham Public Schools do not discriminate on the basis of race, color, sex, sexual orientation, gender identity, religion, disability, age, active military/veteran status, ancestry, genetic information or national or ethnic origin in the administration of its educational policies, and other administered programs and activities. In addition, students who are homeless or of limited English-speaking ability are protected from discrimination in accessing the course of study and other opportunities available through schools.

Contact Information:

School Administration Building, 1st Floor
1330 Highland Avenue, Needham, MA 02492

Phone: 781-455-0400 (option 5)

Fax: 781-455-0417

Web: www.needham.k12.ma.us/community_ed

Office Hours: 8:00am–4:00pm, Monday–Friday

On the Cover:

Student artwork created in "Decorative Painting" (a class offered during the Needham Community Education Summer Explorations program).

Important Program Information

Please note that no nurse will be on duty during NCE Elementary programs, and staff members have no access to medications, including EpiPens and inhalers. If your child requires an EpiPen or inhaler please provide them per the instructions below to the front office staff at the school your child's NCE class is held at.

EpiPens: please provide the following:

- EpiPen, in the original box, with the script label on it (the training EpiPen should be removed)
- Emergency Allergy Action Plan
- Please put these items into a zip top bag labelled with your child's name the class(es) they will be attending.

Please note that NCE staff CANNOT administer EpiPens that are not accompanied by the script label and Emergency Action Plan. If these items are not provided, staff will call 911 in the event of an apparent allergic reaction.

Please remember to pick up your child's EpiPen from the OnSite Coordinator during dismissal on the last day of class or from the school's front office after the completion of your child's program.

Inhalers:

If your child will be bringing their inhaler, please provide the OnSite Coordinator with a note indicating 1) that your child can self-administer and 2) that you have provided the school nurse with a copy of the medical order for the inhaler.

If you have any questions please contact: the NCE office: 781-455-0400 (option 5) or NCE Program Director, Carolyn Colonna, at: carolyn_colonna@needham.k12.ma.us

Absences:

For the safety of our students, if your child attends school but does not plan to attend their after school class, please be sure to send a note, call your child's school or call the NCE office at 781-455-0400 (press 5).

NCE Elementary programs are open to all students.

Are there special considerations we should know about so that your child will have a positive experience in the program? If so, please list them in the designated areas of the online registration form.

Note: *NCE Elementary instructors and staff have no access to IEPs or 504 plans.*

Behavior Policy:

We expect our students to follow their teacher's instructions and to treat each other and staff with respect. If your child does not meet these expectations we will communicate with you to discuss the behavior. If your child's behavior does not improve, we will ask you to withdraw your child from the class and no refund will be given. If your child exhibits threatening behavior toward others in the class, they will be withdrawn immediately and no refund will be given. All school policies outlined in the school Student Handbook apply to NCE Elementary classes.

Notify your child's classroom teacher:

Please send a note to your child's classroom teacher, letting them know that your child will be staying after school to attend their NCE class.

For students in NEDP:

Students enrolled in NEDP may also register for NCE Elementary programs. They will be escorted back to NEDP at the end of their class. *Note: Please provide NEDP with a Dismissal Change Form to notify NEDP that your child will be attending their NCE class and returning to NEDP upon it's conclusion.*

Snacks:

Students are encouraged to bring a nut-free snack to eat prior to the start of their class.

Inclement Weather:

If the Needham Public Schools are closed or released early due to inclement weather, after-school and evening classes will be cancelled. Make-up classes will be scheduled if possible.

Afternoon classes begin at the end of the school day. Students are dismissed to the designated NCE waiting area of their school, where they are supervised by the NCE OnSite Coordinator until the instructor arrives to escort the students to their classroom.

For students arriving from other schools: If you arrive after 2:55pm (3:20pm at Newman), please enter through the main entrance and have your child go directly to the classroom (the front office staff can direct you).

No transportation is provided between schools or home for NCE Elementary program participants.

Dismissal:

The NCE OnSite Coordinator will dismiss children from the front lobby. Children will not be permitted to leave on their own or with anyone other than their parent/guardian unless the OnSite Coordinator has been notified. Please pick up your child promptly.

Prompt pick-up:

If you are delayed, there is a five minute grace period before late charges begin. Delays beyond 5 minutes will result in a charge of \$2/each additional five minute period that the OnSite Coordinator remains with your child. Needham Community Education will bill you for these charges.

Questions?

If you have questions regarding our programs, please contact:

Carolyn Colonna, NCE Program Director
781-455-0400 x11223
carolyn_colonna@needham.k12.ma.us

If you have questions regarding registration, waitlist, payments or receipts, please contact:

Jill Ash, NCE Registration Manager
781-455-0400 x11235
jill_ash@needham.k12.ma.us

NCE ELEMENTARY – Fall 2019 // Week at a Glance

- Your child may take a class at any school, but NCE does not provide transportation.
- No classes on school vacation days.
- Classes at Newman begin and end later than the other school's due to Newman's later dismissal time.

* A Note About Wednesdays

Due to the volume of early release days, Needham Community Education (NCE) will not offer multi-session classes on Wednesdays. Stay tuned for more information regarding single-day, 60- to 90-minute workshops to be offered on some of the full-day Wednesdays throughout the year.

A Note About Sunita Williams

Needham Community Education (NCE) will, unfortunately, be unable to offer after school enrichment classes at Sunita Williams this fall. The school's staff needs time to settle into the new building so they are unable to lend out space for activities at this time.

During our fall session, Sunita Williams students are welcome to enroll in after school classes at any of the other four schools. (Please note NCE does not provide transportation between schools).

We will miss holding classes at Sunita Williams this fall but we look forward to providing a host of exciting offerings during the winter session!

BROADMEADOW Class Details [See page 5 for Eliot, page 6 for Mitchell and page 7 for Newman]

Acting Skills and Games with Watertown Children's Theatre: *Animal Tales*

Instructor: Watertown Children's Theatre teaching artist

Explore the wild side of the animal kingdom from the safety and warmth of a classroom. Each week, students will discover new creatures—from the smallest mouse to the most magnificent dragon—through creative play, song, movement, and visual arts. *Animal Tales* concludes with an open class showing for family members.

Broadmeadow

Grades: K–2

Limited to 12 students

Tuesdays: 2:55–3:55pm

Oct 15–Dec 10 (no class 11/26) — 8 wks

Fee: \$130

Amazing Athletes Training Academy

Instructor: Amazing Athletes staff members

Amazing Athletes is a multi sport program that rotates through ten different sports teaching two sports per week. Our goal is to give our students a foundational knowledge of sports rules, terminology, and skills. We incorporate skill and exercise based training such as obstacle courses, speed and agility drills, sport skill training, and fun cardio games to challenge each student in a non-competitive environment. *Amazing Athletes* is based around skill-building and progression rather than being game-based or play-based. We aim to have our students enjoy physical activity and develop advanced motor-control so that they can excel at each level of their sport education.

Amazing Athletes is based around skill-building and progression rather than being game-based or play-based. We aim to have our students enjoy physical activity and develop advanced motor-control so that they can excel at each level of their sport education.

Broadmeadow

Grades: K–2 and 3–5

Limited to 15 students in each grade group (*limited to 30 total students*)

Mondays: 2:55–3:55pm

Oct 21–Dec 9 (no class 11/11) — 7 wks

Fee: \$160

Chess

Instructor: Maryanne Reilly, Chess Coach

Taught by chess masters, the NCE chess instructors will prepare you for competitive play. Whether you have only recently learned how to play, or if you are already a competent competitor, your skills will be further advanced and your love for the game will blossom. **Students must be familiar with basic chess moves and have a strong interest in furthering their chess skills.**

Broadmeadow

Grades: 1–5

Limited to 16 students

Tuesdays: 2:55–3:55pm

Oct 15–Dec 10 (no class 11/26) — 8 wks

Fee: \$165

Coding in Java with Empow Studios

Instructor: Empow Studios staff member

For kids who want to try their hand at creating games, animations, and applications by writing code. Students will start with fundamental concepts using Scratch, an easy-to-understand, block-based, drag & drop coding language. Once kids are familiar with the basic concepts, we introduce Java, an industry standard language used in many of the applications running on your Android device, and in the 2nd best-selling video game of all time, Minecraft.

Broadmeadow

Grades: 3–5

Limited to 12 students

Thursdays: 2:55–3:55pm

Oct 17–Dec 12 (no class 11/28) — 8 wks

Fee: \$210

Register Online at:

<https://needham.schoolpay.com/link/NCEelementaryfall19>

Early Robotics with Snapology

Instructor: Snapology staff member

Children will begin to explore the world of robotics as they build simple models that teach the fundamentals of robotic design. Starting with sensors and quickly expanding to the use of gears and pulleys to create movement while building helicopters and robotic dogs. As your child gets comfortable with the building process and programming, they will start to build robotic games. Whether creating a robotic hockey player, pinball machine, or a ring toss, your child is sure to have fun building, learning, and playing.

Broadmeadow

Grades: 1–2

Limited to 12 students

Thursdays: 2:55–3:55pm

Oct 17–Dec 12 (no class 11/28) — 8 wks

Fee: \$175

French Language and Culture with Global Child

Instructor: Global Child staff member

Get a jump-start on foreign language learning in our French program! In this fun and active program, you will learn or improve your French through games, songs, rhymes, skits, and cultural activities. Participants will receive a student booklet and audio CD so they can practice at home. This class is appropriate for new and returning students.

Broadmeadow

Grades: K–3

Limited to 12 students

Thursdays: 2:55–3:55pm

Oct 17–Dec 12 (no class 11/28) — 8 wks

Fee: \$155

ELIOT Class Details [See page 4 for Broadmeadow, page 6 for Mitchell and page 7 for Newman]

Acting Skills and Games with Watertown Children's Theatre: *Animal Tales*

Instructor: Watertown Children's Theatre teaching artist

Explore the wild side of the animal kingdom from the safety and warmth of a classroom. Each week, students will discover new creatures—from the smallest mouse to the most magnificent dragon—through creative play, song, movement, and visual arts. *Animal Tales* concludes with an open class showing for family members.

Eliot

Grades: K–2

Limited to 12 students

Thursdays: 2:55–3:55pm

Chess

Instructor: Ilya Krasik, Chess Coach

Taught by chess masters, the NCE chess instructors will prepare you for competitive play. Whether you have only recently learned how to play, or if you are already a competent competitor, your skills will be further advanced and your love for the game will blossom. **Students must be familiar with basic chess moves and have a strong interest in furthering their chess skills.**

Eliot

Grades: 1–5

Limited to 16 students

Tuesdays: 2:55–3:55pm

Oct 15–Dec 10 (no class 11/26) — 8 wks

Fee: \$165

Circuit Makers 101 with Circuit Lab

Instructor: Circuit Lab staff member

Let's get creative with electricity! In this junior hands-on electronics class, students will gain experience with creating their own electronics; designing custom light-up greeting cards, electric games, mazes, and even musical instruments. Each class day consists of a circuitry lesson and a hands-on electronics project, using components like lights, buzzers, switches, motors, and sensors. Circuit Lab staff will make sure participants create a project that they can be proud of each day. Most class days include a take-home project.

Eliot

Grades: 1–3

Limited to 12 students

Tuesdays: 2:55–3:55pm

Oct 15–Dec 10 (no class 11/26) — 8 wks

Fee: \$175

Coding in Java with Empow Studios

Drawing with Young Rembrandts

Instructor: Young Rembrandts staff member

Looking for a creative boost to start the school year off right? Drawing is the perfect anecdote. Our unique, proven method and step-by-step curriculum fosters a wealth of skills such as fine motor skills, handwriting readiness and

attention to detail. Our budding artists will have the opportunity to flex their creative muscle as they take on fun, artistic challenges. Content is based on child-friendly subjects that open the imagination and stretch the mind. Each week students complete a new lesson, focusing on specific art terms and techniques they can apply to their own drawings. Each lesson is always new: with over seven years of curriculum, we never repeat a drawing while your child is in elementary school. Kids love our upbeat and positive classroom environment. Whether your student is a seasoned artists or just starting out and needing some direction, our Drawing class is the place to be! **All new projects, returning students welcome!**

Mitchell

Grades: 1–5

Limited to 15 students

Tuesdays: 2:55–3:55pm

Oct 15–Dec 10 (no class 11/26) — 8 wks

Fee: \$175

Flag Football

Instructor: Ryan Martin, Mitchell P.E. Teacher

Flag football is increasing in popularity because it is a fun and safe way to learn one of America's favorite sports. You will practice proper techniques through drills, small-sided games, and scrimmages. All games and drills will be age appropriate and are sure to improve skills.

Mitchell

Scratch Computer Programming with iCode

Instructor: iCode staff member

Join us to learn foundational concepts in computer science, sequencing and problem solving using MIT's Scratch programming Integrated Development Environment (IDE). We will explore the fundamentals of writing code through fun yet challenging tasks, and you'll apply your creativity through inventive game designs. Master a suite of skills as you create thematic animations, interactive stories, and short video games. You'll finish the class with the tools you need to continue making Scratch projects on your own, and knowledge that will apply to your future programming endeavors! **This is a beginner class; no experience necessary.**

Mitchell

Grades: 1–3

Limited to 15 students

Mondays: 2:55–3:55pm

Oct 21–Dec 9 (no class 11/11) — 7 wks

Fee: \$195

Yoga with One Nation Fitness

Instructor: One Nation Fitness coach

In this playful yoga class designed especially for school aged-children, children will learn yoga poses, breathing, and relaxation exercises which cultivate a calm mind, increase strength and flexibility, improve gross and fine motor skills, and improve concentration. **Students should wear comfortable clothing and bring their water bottle. Yoga mats will be provided.**

Mitchell

Grades: 2–4

Beginning Ukulele with Rob's Guitar School

Instructors: Rob's Guitar School staff members

Taught by two instructors from Rob's Guitar School in Newton, kids grades 3–5 get a fun and easy introduction to music on the ukulele. The ukulele is a versatile instrument and is easy to play. Over the course of eight weeks, students will learn a number of songs and strumming patterns and even learn to sing and play if they wish. Students will finish the class having a strong foundation in chords and strumming and will leave having the ability to play a basic version of any song they wish on their instrument. All students must have their own ukulele. Here is a link to purchase a recommended ukulele online for \$45.00:

<https://www.guitarcenter.com/Mitchell/MU40-Soprano-Ukulele-J22069.gc>

For questions about the instrument, please contact Rob's Guitar School here: <https://robsguitarschool.net/contact>
